The custom of bringing harvest gifts into worship goes back to early Old Testament times. It is one of giving the 'first fruits' of the harvest back to God who gives us everything. That was at a time in history when the work of everyone was directly or indirectly connected to agriculture. Today, that is not the case. We have the fruits of our work, usually monetary, which we change into both necessities and

luxuries. It is fitting to offer some of those fruits in whatever form is appropriate. Here in Weedon, we encourage that 'form' to be food to be used by the Food Bank.

## **Prayers:**

- For all who work in agriculture.
- For greater steps towards peace in the troubled areas of our world.
- For all who suffer because of natural or man made disasters, may the global community work to help them.
- For all who are ill and those who care for them.
- For progress in the next step for our churches.
